

Supplier's Declaration

Regulation (EU) No. 2025/40 on packaging and packaging waste

Stäubli Electrical Connectors (hereinafter referred to as "STÄUBLI") is aware of European Union Regulation (EU) No. 2025/40 on packaging and packaging waste (PPWR). STÄUBLI has every intention to contribute to the continuing process for obtaining a cleaner and healthier environment. We are continuously improving our products and processes.

STÄUBLI works closely with packaging suppliers to ensure PPWR compliance and hereby declares that the packaging supplied to our European clients meets the current requirements of the Regulation (EU) No. 2025/40 on packaging and packaging waste.

We confirm:

- that the packaging is designed and manufactured considering the currently applicable requirements of the PPWR,
- that the supplied products do not contain hazardous substances exceeding the limit thresholds specified in Article 5,
- that information required for the preparation of technical documentation is stored internally and, in some cases, may be made available upon request.

This declaration applies to the requirements of Regulation (EU) No. 2025/40 and the legal acts published thereunder that are in force at the time of issuance.
